To Whom It May Concern,

It gives me great pleasure to write this letter of recommendation for Ms Andrea Shoup. Ms Shoup currently works at the American international School in Kuwait as a KG1 teacher.

I have known Ms Shoup for the past two years. Ms Shoup is an excellent teacher. She is professional, dependable and trustworthy. She is an educator who takes her work seriously and provides instruction in a very effective manner. Ms Shoup uses a variety of teaching strategies and materials for instruction, observing individual differences among learners. Ms Shoup works to build self-discipline in a warm and nurturing manner. She is consistent and fair with students and provides positive reinforcement. Ms Shoup is very diligent with documentation, completing accurate records and reports on schedule. Ms Shoup's work with special needs students is especially commendable.

Ms Shoup is very cooperative and maintains a friendly and professional attitude at all times. She diligently adheres to school policies and regulations, and promptly seeks professional assistance when making major judgments, communicating with administration concerning problem areas. Ms Shoup is open and flexible. She considers and uses provided suggestions for self-improvement.

I wish Ms Shoup the best of luck in all her endeavors. Her services will be missed at AIS. I highly recommend Ms Shoup for a similar position at any educational institution. She will definitely be an asset to any school she joins.
